# Officials' Biographies

**Alison Head** earned a BA in history from Duke University and a JD from Georgetown University. After practicing for 5 years, she left to pursue a career in dressage. Alison is a USDF Bronze, Silver and Gold medalist. She was on the USET Grand Prix long list in 1993 and 1994 with Granus. A USEF "S" judge, she operated Looking Glass Farm, a dressage training and breeding facility in Hamilton, VA for many years. Alison now resides in the Aiken, SC area. Alison has been President of VADA/Nova and President of VADA, and was USDF Region 1 Director from 2001 to 2010. She was also a member of the USEF Dressage Committee and the Board of Directors of Dressage at Devon and the BLM Championships. Alison judges dressage throughout the U.S.

**Judy Downer** is an accomplished rider in dressage, having earned all six of the USDF rider medals and the Centerline Five Star status. She has ridden and shown horses since she was a child, initially competing in 4-H, and later advancing to Quarter Horse shows. She was All Around Youth in New Jersey in 1973 and placed at the Quarter Horse Congress. She has trained 2 horses to Grand Prix and brought along another 4 to nearly FEI before they were sold. She is currently a USEF S dressage judge and USEF R western dressage judge. She coaches professional and amateur riders to the FEI levels, and several have completed USDF rider medals and year-end awards. Her coaching style is consistent with the training pyramid, with an additional focus on rider biomechanics. She is creative with exercises to improve the horse's basics (gaits, impulsion, submission) and always has advice for effective test riding. Judy also is an educator, as Professor of Equine Studies at the College of Central Florida. She holds a Ph.D. in Animal Nutrition. Prior to her academic role, she worked in veterinary pharmaceutical research and development for various companies. She resides in Ocala, FL with her husband, dogs, cats and of course, horses. Judy has been approved as the newest member of the USDF L Program Faculty.

**Robin Birk** is the owner of Timber Ridge Equestrian Center where she operates a breeding program and dressage training facility. Robin really enjoys training young dressage horses at her farm in Ruffs Dale, Pennsylvania and is also an approved young horse trainer by the American Hanoverian Society (AHS). When not training, instructing or judging, Robin also previously worked in the Pittsburgh steel industry where she is a safety and industrial hygiene professional.

**Robyn Nunnally** grew up riding hunters over fences, including intercollegiate competition as part of the William & Mary riding team. Then she showed Arabians for almost 20 years, winning over 20 IAHA Regional/East Coast Top 5 Championships in dressage and other classes. She was an AHSA National Arabian Horse Show Judges' Convention participant. She is a NCSU Certified Open Horse Show Judge in all divisions: hunter, western, saddleseat and gaited. Robyn has been training riders and horses for over 20 years. Robyn worked for the U.S. Department of Agriculture's Farm Service Agency. Robyn is a USEF "r" Dressage TD and Western Dressage judge, and an apprentice for C2 Steward. She is a USDF "L" Graduate with Distinction and Bronze Medalist. Robyn is the vice-president of Southeast Virginia Dressage Association and is on the Board of Directors for Virginia Dressage Association. Robyn lives in Suffolk, VA with her 2 warmblood horses and a Jack Russell Terrier.

## USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2024**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

#### Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
